With ref to W.G. 9960 d 2.7.26 forwards an allocation Statement showing the monthly allowances proposed to be given to the Sub Regrs and their Clerks in charge of the Lock up Guard. So far as the allocation in respect of the Sub Registrars the Scheme seems to be alright. But as regards the allocation proposed for the Clerks the Scheme does not appear to be satisfactory. In the case having one clerk it is alright. But the case of offices having more than one clerk it has to be decided which of them is to get the allowance. Perhaps the D.R.P. may be asked to submit a revised allocation in consultation with the D.G. of Police.

7) In 1925 the D.G.P proposed that an allowance of Rs 10, to the Subregistrar, Rs 5 to his clerk may be given for lock up work in the 14 places mentioned by him as the lock up work at these places was rather heavy owing to the existence of Special Magistrate Courts at these places.

8) After looking into the number of prisoners that these lockups usually have, the Director observed that a case

had been made out for giving the allowance, in the Case of Melocha al., Closepet, Chickballapur, Tiptur Madhugiri, Nanjangud and Davan The matter could not be pursued as no provision could be made in the Succeeding years budget

9 In 1926 the D.C. of Mysore again urged the grant of these allo He was of opinion that the allowan should be given in the Case of the lockups at Sagar, and Sorikere al But no funds could be provided in the last year's budget.

10 The necessary funds have been provided in this years budg The D.C. R has recommended the grant of these allowances to the Lockup Police and Clerks at the 8 places mentioned above. The co on this account will be Rs 120 per month or Rs 1440 per annum.
